

ST MARY'S CALNE
SPORTS CLUB

COURSE HUB

We are now using Course Hub for your child's swimming lessons.

You can track your child's progress, see which badges they've earned, top up and manage class movements with one simple login.

HOW TO ACCESS COURSE HUB

Log in or create an account on Leisure Hub.

If you are a member of St Mary's Sports Club and already have a Leisure Hub account (used for bookings), log in using your existing details. Course Hub now appears as a tab in your Member Area.

If you do not have an online Leisure Hub account but your child is already booked onto lessons, you will need to register. Use the same email address we use to contact you regarding swimming lessons.

HOW TO REGISTER FOR COURSE HUB

You will need your card number to register. Please ask at reception or call us on 01249 857335.

Visit:

<https://https://stmaryssportscentre.xnlcloud.com/lhweb/identity/login>

or scan our QR code

Scroll to "I'm a member, but I need to create an online account"

Use your card number and the email address you used on your enrolment form to register.

If your registration is successful, you will receive an activation email. Please select the activation link in your email and follow the steps outlined.

Your account will now be active, and you can log into your account. Your children will link automatically to this account.

Once you have logged in, navigate to Course Hub; you will find the Course Hub tab on the lefthand side of your screen.

You can now view progress and history, top up (if you have 4 sessions or less remaining) and move up if appropriate.

If you need help

If you forget your password, use the "Forgot Password" link on the login page.

If you have problems accessing the account, for example, your email address is not recognised or you do not know your card number, please speak to a member of staff.

If your children aren't already linked to your account, please speak to a member of staff.
